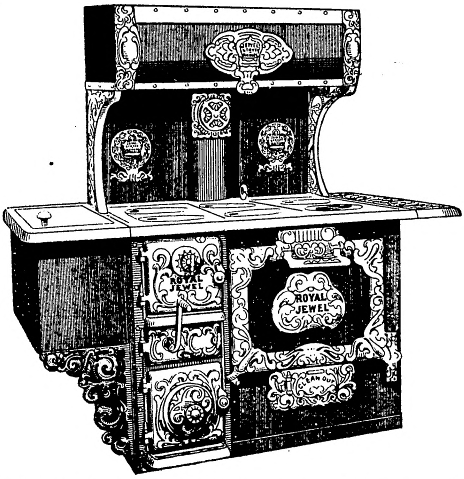
STEEL RANGE

The Latest and Best



Every improvement that long experience has suggested, or ingenuity discovered, every labor-saving device and every fuel-saving device, is embodied in this Range.

BODY OF RANGE is made of the very best quality, heavy, cold-rolled, blued sheet steel, lined with Asbestos,

OVEN is large and well ventilated, and being made of sheet steel, will never warp nor crack.

FIRE BOX—best proportioned and most economical ever constructed. Improved Duplex Grate.

BURNS EITHER COAL OR WOOD.

THE FRONT KEY PLATE over fire is hinged and can be raised and lowered so that toasting and broiling can be readily done.

14 Rebecca St., Hamilton,

PREFACE

IN presenting the **Thirty-Fifth Annual Edition** of the **City of Hamilton Directory,** I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last edition proved very satisfactory, I am quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1908. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,

HENRY VERNON,
127 Jackson Street West.

JANUARY, 1908.

1907 Another Year of Advancement.

Our Annual Statement will show the new business is over a quarter of a million ahead of 1906; the assets have increased by nearly one million dollars; the total expenses are over $25,000 less than the outgo for 1906, which means a reduction of over 2%, thus placing the Company among the most economical in Canada, looking at it from the policyholder's standpoint.

"THE DUSKOT"

SANITARY

CARPET CLEANER

Prevents the necessity of taking up the carpet to be cleaned.

The "DUSKOT" works on the suction principle, which is the only SANITARY method of cleaning.

The "DUSKOT" holds the dirt and dust and therefore saves dusting.

The "DUSKOT" removes Germs, Moths and Insects, and keeps the home clean and sanitary.
